The installation, workmanship, construction, maintenance, or repair of all electrical work shall conform to the requirements set forth in the National Electric Code, as amended as promulgated by the National Fire Protection Association.

By signing below I agree to adhere to the standards set forth by the Manufactured Housing Installation Guidelines for the Town of Gaston and understand that if I do not comply with the regulations included therein, the Town of Gaston reserves the right to disconnect my power. I further understand that if I pay by check and my check is returned that a \$25.00 returned check fee will be imposed. I also understand that if I have a check returned and do not bring in the permit fee and returned check fee in the form of a check or money order, the Town of Gaston reserves the right to disconnect my power until these fees are paid.
